## Encore

### Router Carved Doors

Design driven and cost effective **Encore** doors are router carved by CNC computers for a resulting look of a beautiful raised panel.

- Cost effective
- Dramatic raised panel look created by computer routing equipment
- Solid surface construction
- Integra-Lok<sup>®</sup> wood edge for screw holding power
- 152 standard designs, plus unlimited variations
- Limited Lifetime interior warranty

## Ovation

### Layered Panel Doors

**Ovation** combines precision craftsmanship and the patented Fiberfuse technology to bring you more design options.

- Uniquely layered construction
- 146 standard designs, plus custom design flexibility
- Integra-Lok<sup>®</sup> wood edge for screw holding power
- Double primed all six sides
- Limited Lifetime interior warranty

## Infinity

### Inlaid Moulding Doors

**Infinity** mouldings create traditional and contemporary spaces with dramatic flare.

- Striking appearance featuring dramatic raised panels
- Detailed inlaid moulding profiles: Raised, Flush and Plant-on
- Patented, integral panel design
- 138 standard designs, plus custom design flexibility
- Limited Lifetime interior, 2 year exterior warranties

## Bravo

### Traditional Stile & Rail Doors

**Bravo** features doweled stile and rail construction with authentic coped miters. Raised or flat panels.

- Authentic Stile & Rail Doors
- Over 134 standard designs plus custom design flexibility
- 20-Minute Fire Rated available
